POSITIVE IMAGE® TRANSFERS

Single image transfer for orthoses with enough flat space, not suitable for cranial remolding helmets.

Color and form will vary due to the manufacturing process.

Some transfer patterns may not adhere to certain plastics. For additional details regarding these patterns or to inquire about other sports teams and cartoon characters, please check with your customer service representative. All characters, designs and team logos are copyrighted by their respective owners. Transfer patterns are subject to change based on manufacturer availability.
